Assist in planning the program

Assist in developing the challenges

Assist in finding new intern sites

Apply for a board position

**We are seeking individuals and businesses to help in supporting this exciting program that provides students with hands on business experience in a fun and competitive environment. Based on the popular Donald Trump TV show, the BEST program has students work as interns at local businesses where they participate in the running of the business. Apprentices also compete in several business challenges including a charity toy drive with the La Mirada Volunteer Center, developing a marketing plan for the La Mirada Relay for Life event sponsored by the American Cancer Society, as well as a job search and interview challenge.**

**Questions: Please Call Derek Wood 562-868-0431 X3160 or [DWood@nlmusd.k12.ca.us](mailto:DWood@nlmusd.k12.ca.us)**
